Bible Reading Plan 2016

In 2014, we read through the New Testament and 2015 we read through the Old Testament. This year we will push and challenge ourselves further and read through the entire Bible in a 1 year span. We have chosen to do a Chronological Study. This is a Bible study done daily in the order that the events of the Bible happened.

Tips on Reading the Bible Daily

1. Start reading the Bible today -- there is no better time, and there's no reason to wait.
2. Set aside a specific time each day. Set your schedule and then stick to it. Mornings are great, but feel free to use any time that works consistently for you.
3. Read the Bible for the sake of learning, not simply to accomplish your next reading. Say a short prayer to God before you begin, asking the Holy Spirit to give you wisdom and understanding, then be refreshed by the words you read!
4. If you miss a date, don't stress and don't give up. After all, we don't give up eating if we miss lunch, right? So why would we do the same for our Daily Bible Reading? Make it up the next day or soon.
5. Get accountability to help you stay on task. Ask your spouse, siblings, friend or someone to take this journey with you and give them the full right to ask "How are you doing on your reading plan?"
