# Help Needed!!

We need people who are willing to learn how to operate the sound and lighting systems. Any one willing to serve should see Caleb Smith to arrange a time for training.

# Ladies Bible Study

---

This study, led by Amy Suttle, begins on Monday January 22nd at 6pm. All ladies are welcome to join for this fantastic opportunity to go deeper into God's Word. Any lady interested in participating in the Bible Study should sign up on the sign up sheet in the gym!

# Winter Retreat

Remember to keep our students and chaperons in your prayers while they are away at Winter Retreat in Pigeon Forge!

A large, rectangular blue plastic tote tub is shown from a slightly elevated angle. The tub is empty and has a matching blue lid. The background is plain white.

# Tote Drive

Defend the Orphans will be collecting plastic totes again to benefit children in foster care. Often times, these children do not have a place store their belongings, and these tubs are very useful.
