A large, blue plastic tote bin is the background of the image. It is a rectangular container with a lid, shown from a slightly elevated angle. The bin is a vibrant blue color and appears to be made of a sturdy plastic material. The lighting is even, highlighting the texture of the plastic and the shape of the bin.

Tote Drive

Defend the Orphans will be collecting plastic totes again to benefit children in foster care.

All sizes of totes are needed!

This tote drive will end
Wednesday, February 28th.

Help Needed!!

We need people who are willing to learn how to operate the sound and lighting systems. Any one willing to serve should see Caleb Smith to arrange a time for training.
